

# 194 XXI. FEDERAL RESERVE BANK NOTES

Only 5, 10, 20, 50 and 100 Dollar notes were issued and all are now obsolete. The obligation is as follows, "National Currency secured by United States bonds deposited with the Treasurer of the United States of America or by like deposit of other securities... The (name of bank and city) will pay to the bearer on demand..... Dollars... Redeemable in lawful money of the United States at United States Treasury or at the bank of issue." All are series of 1929 with signatures of Jones and Woods and with a brown seal that is larger than on the National Bank Notes preceding. In addition, the notes

bear two signatures of the issuing Federal Reserve Bank, those of its Governor and Cashier, or of its Governor and Deputy Governor (N.Y.) or of its Governor and Ass't. Deputy Governor (Chicago) or of its Governor and Controller (St. Louis).

It is estimated that there are no more than about 300 star note of all denominations combined.

(Additional information on this series will be found in the introduction to large size Federal Reserve Bank Notes on page 141.)

## 5 Dollar Notes

All issues are with the bust of Abraham Lincoln.
